

## Field Trip Permission Slip

This form gives permission for your child to attend any field trips that his/her class will take as long as he/she is a student at Canterbury Community Nursery School. Parents will be given additional information at the time of the actual field trip indicating time, place and any other pertinent information. If, at that time, you do not wish for your child to participate in the field trip, let the school know and you may make alternate plans for your child.

As long as my child shall attend Canterbury Community Nursery School, I consent that said child may go or be taken by vehicle or otherwise, on any field trip approved by Canterbury or any of its staff for said child. This consent shall remain in effect until revoked by me through written instruction to Canterbury.

Neither Canterbury Community Nursery School nor any person or entity connected with the School shall be liable for any injury which said child may sustain on such occasion, unless injury shall be caused by proven negligence of the School or of such person or entity.
